Dive, Dive, Kittiwake & Sail Package

No matter what your skill level or what time of the year you are here, Grand Cayman’s newest wreck site the USS Kittiwake is easy to access and thrilling to explore. Swim through then recompression chamber, the air bank storage room, the engine room and meet all the wreck’s new residents. Because the Kittiwake sits in 65 feet of water, the top of the bridge and smoke stack are within 10 feet from the surface.
