

### **COVID-19 Safety Policy and Procedures – Watersports**

The following safety and hygiene measures will be adhered to on all watersports activities to reduce the risk of COVID-19 transmission for both customers and staff. These policies and procedures have been put in place using guidelines from the Department of Tourism and CDC.

#### **Guests**

- ❖ Hand sanitizer will be available for guests upon arrival at the dive shop, and after their excursion.

#### **Staff**

- ❖ Staff will wash and sanitize hands regularly.
- ❖ Any staff member presenting symptoms of COVID-19 will be sent home immediately and advised to seek testing prior to returning to work.
- ❖ All staff will be trained on COVID-19 safe first-aid measures.

#### **Watersports location and equipment**

- ❖ All surfaces and equipment will be cleaned and sanitized before opening each day, wiped down with alcohol solution after each use, and disinfected at the end of the day.
- ❖ Life jackets will be disinfected after each use and rinsed prior to being given to the next guest.
- ❖ All speed boat surfaces will be disinfected thoroughly before and after each trip, including marine heads and onboard gear.
- ❖ The dive shop will be equipped with hand sanitizer and Lysol wipes.
- ❖ All first aid and medical devices that are not one-time use will be disinfected prior to reopening and after use.
